English as a global language - The Library of Congress

ENGLISH AS A GLOBAL LANGUAGE with millions of popular intuitions at a level which had simply not existed a decade before. These are the kinds of statement which seem so obvious that most people would give them hardly a second thought. Of course English is a ...

Attitudes to prescriptivism: an introduction

David Crystal defines prescriptivism as ‘the view that one variety of language has an inherently higher value than others, and that this ought to be imposed on the whole speech community’ (2010, 2). It is this action of imposing norms – in its various incarnations – that is the concern of this special issue.
